

DELIVERY AND COMMISSIONING CERTIFICATE

Use for each machine delivered under a Commercial Machine Sale Agreement

This certificate documents delivery condition, commissioning results, open items, and the date that triggers the delivery balance under the referenced sale agreement. It does not replace the sale agreement or waive a latent defect or express warranty claim.

1. Transaction and Delivery Details

Sale Agreement / Quote No.	
Buyer legal name	
Delivery point	
Delivery date and time	
Machine model	
Serial number	
Carrier / delivery provider	
Person receiving delivery

5. Delivery Status

- ☐ Accepted — Confirmed Delivery occurred on the date above.
- ☐ Accepted with listed open items — Confirmed Delivery occurred; listed items will be handled under the sale agreement and do not prevent ordinary use except as noted.
- ☐ Material delivery nonconformity — delivery is not accepted for the specific reasons listed below.

Material nonconformity details	
Safe to operate pending follow-up?	☐ Yes ☐ No ☐ With restrictions:
Confirmed Delivery date	
Warranty start date	

6. Payment Acknowledgment

If delivery is accepted or accepted with listed open items, Buyer acknowledges that Confirmed Delivery has occurred and the remaining 50% delivery balance is due on the schedule stated in the sale agreement. This acknowledgment does not waive a timely claim for concealed freight damage, a latent defect, or an express warranty remedy.
